

WEDDINGS AT PR

Our secret garden oasis provides the perfect backdrop for celebrating love in all forms.

We do things differently at Peter Rabbit and you can too with our custom wedding packages designed to suit the most intimate of receptions or the 'all out' party you want to celebrate your special day.

Peter Rabbit provides the perfect location for you to say, and celebrate, your i-do's and to gather together to create a memorable wedding party like no other with cocktails, canapes and dancing.

From afternoon into night we cater for up to 100 guests in our spacious garden and cafe, with plenty of seating or standing space under cover and under the stars. Our space remains cool and shady in the summer and warm and cosy in the winter.

We pride ourselves on curating bespoke weddings that are tailored to suit your tastes and style so if you had something in mind not featured here, please enquire about what you are looking for.
